

HAIRE'S ACCUSER ADMITS PERJURY IN DIVORCE TRIAL

Declares, However, Lawyer-Defendant's Own Clerk Suggested Him as Witness.

Well dressed and well set up physically, showing nothing of the perurbation he feels, Col. Robert T. Haire, man of the Criminal Court bar, on trial before Justice Vernon M. Davis in the Criminal Branch of the Supreme Court for alleged subornation of perjury, continued to be his own lawyer in his defense to-day.

John Rodgers, the pickpocket, in whose behalf it is alleged by the prosecution, Col. Haire attempted to suborn two witnesses to commit perjury, was subjected to a grilling cross examination by the defendant. Rodgers lodged the information on which the old lawyer was indicted with the District-Attorney.

In response to the questions of Col. Haire, Rodgers admitted he had perjured himself in a divorce trial before Justice Mills of White Plains. Fifteen different statements made by Rodgers on the witness stand before Justice Mills were read to Rodgers who admitted they were false.

Witness Admits Perjury.

"And you know they were false when you swore to them?" thundered Col. Haire.

"I did," replied Rodgers.

"Who suggested that you be a witness in that case?" continued the lawyer-defendant.

"H. W. Trippett," replied the witness reluctantly.

Trippett, who had a desk in Col. Haire's law office and was indicted with him, is in the Tombs. He pleaded guilty Monday to the indictment against him and will be used as a witness. It is asserted, against Haire.

Haire Charges Conspiracy.

It is alleged by Col. Haire and his friends that he is a victim of a conspiracy concocted in the brain of a notorious criminal now serving a long term in Sing-Sing. This convict, Col. Haire says, in revenge for an old grudge, got Rodgers, Trippett and others to conspire against him.

HYGIENIC
SUPPORTING BANDS

ONLY stout women need abdominal reduction; But all women need abdominal support.

Any long corset, tightly laced, is highly dangerous unless it supports the abdomen.

No corsets except the Nemos give the slightest abdominal support.

LOOK at the cut of No. 330, above. A glance will show you how those broad bands of semi-elastic Lastikops Webbing support the abdomen in natural position, no matter how hard you pull the long skirt.

This gives you ultra-fashional slenderess, with perfect ease and safety; banishes all dangers of tight lacing; stops that perilous "bearing down" feeling, which every woman dreads. Four beautiful models:

No. 330—Medium bust, long skirt.
No. 331—Low bust, very long skirt.
No. 332—Extra-high bust, long skirt.
